

GUIDELINES

About Elevate Academy

Our mission is to connect industry dance and music professionals with Canberra's creative young people to enhance their skills, confidence and well-being through training and mentoring

What we are looking for?

At Elevate Academy we are not looking for perfection instead we looking for people who have a passion to dance and or sing. With the support of our industry professionals we will commit to training and mentoring them to be the best they can be. Successful applicants must be open to learn and willing to work to improve themselves.

Members of Elevate Academy will benefit from exclusive training and mentoring by our professional Faculty Teachers who are all highly skilled in the dance and music industry and are committed to supporting talented and passionate students to Elevate to the next level. This includes special guest Faculty member's such as **Timomatic** a multi-platinum celebrity artist and a judge of Australia's Got Talent TV show, **Amber Nichols**, a professional independent recording artist and Finalist of "the Voice" TV show and US singer and producer and grammy award winner **Tony Rich**. The faculties experience as industry professionals in dance and music will give our students within the Elevate Academy a truly unique and fulfilling experience.
